The Samuel Challenge

During the week read 1 Samuel 23-24 and answer these questions:

Historical Narrative:

What are the time, place, people, and circumstance?

Has it changed from the previous section?

Is it connected to the previous passage?

Theological Revelations:

What does God say in this text?

What does God do in this text?

What is God like based on this text?

Models of faithfulness:

Are there models of faithfulness in this text?

What do they say?

What do they do?

What are they like?

Are there any New Testament passages that affirm that we should also say, act, or be like this as Christians?
