

What God Wants
1 Samuel 7
Pastor Ben Tacoma

What is the Historical Narrative?

Ebenezer = 'stone of help'

The LORD Thunders

What does God do, say, or is like?

The LORD: *Answers*
 Thunders
 Helps
 Provides/Protects

Why? What changed?

What God Wants

What do the role models do, say, or are like that is backed up by the New Testament for us today?

They: Longed for God (Matt. 22:37)

Worshipped God exclusively (Matt. 6:9; 2 Co. 10:13)

Humbled themselves in surrender + confession
(Rom. 12:1; 1 John 1:9)

Used what God provided for God's glory
(Matt. 25:14-30; Eph. 5:14-17; Rom. 8:28-29)

Remembered God's help
(1 Cor. 11:23-26)

Something uniquely Christian that God wants us to see:

**Samuel's intercession for Israel
points us to Jesus' intercession for us**
(John 1:29; Romans 8:34-39)

The Samuel Challenge

During the week read 1 Samuel 8-10 and answer these questions:

Historical Narrative:

What are the time, place, people, and circumstance?

Has it changed from the previous section?

Is it connected to the previous passage?

Theological Revelations:

What does God say in this text?

What does God do in this text?

What is God like based on this text?

Models of faithfulness:

Are there models of faithfulness in this text?

What do they say?

What do they do?

What are they like?

Are there any New Testament passages that affirm that we should also say, act, or be like this as Christians?
