Jesus is Enough
Colossians 2:16-23
Pastor Ben Tacoma

Therefore
What is it there for?

Religious Performance: Things that sound and look really religious!
Examples: *Pious behaviors, holier-than-thou actions, black and white us vs the world (or other types of Christians!) self-righteousness, emphasis on formal dress and religious accoutrements, hard to follow religious sounding language, KJV only, etc.*
-Religious pomp and circumstance-

Type of church culture: *Strict-legalistic culture, fundamentalist mindset, reactionary, controlling, quick to fear + shame anything it doesn't like/uncomfortable with*

Christian liberty!!! –**Galatians 5:1, 13-14**

Spiritual Performance: Things that sound and look really spiritual!
Examples: *fancy public prayers, public fasting, baptism, speaking in tongues, passionate prophecies, political prophecies, emotional worship experiences, being 'slain in the Spirit', posting about your devotional time, mission trip experiences, claim healing from illness, etc.*
-Chasing spiritual highs + reputation-

Type of church culture: *Experiential fervor/feelings valued over biblical exegesis; often dominated by a charismatic leader w/ a cultish following. Condemning dissenters as 'lacking in true faith', 'uncommitted', 'hidden sin', 'lacking the Holy Spirit', 'need to give/do more for the leader/church'.*

They don't get the gospel: **Matthew 6:1-2, 5, 16; 7:21-23**

Jesus is Enough Colossians 2:9–10
The religious and spiritual performances look good! But they are empty of any actual power.
Faith in Jesus doesn't always look as shiny or meaningful- but it's the only thing that gets the job done. **Hold fast to the Head!!**
