

**The Work in Us**

Obedience...

“Work out your own salvation with fear and trembling”

**The work of God in you!!! (promise + purpose!)**

*...Without grumbling and arguing? Awww man!*

**The Potential in Us**

To be blameless and pure

To be faultless children of God

**To shine like stars**

To hold firm to the ‘word of life’

**The Future Before Us**

Rejoice! Jesus gave Himself for you.

Rejoice! Paul gives himself for you.

Rejoice! Countless others gave themselves for you.

**With the time that is given to you, the year before you-**

*Will we be those faultless, shining stars?*

*Will we work out our faith in fear and trembling?*

*Will we obey and live lives worthy of the gospel?*

*Or does the gospel light end with us. With you?*

God is at work in you to live a life worthy of the gospel,  
so you shine like the stars in the heavens,  
but we all have a choice: lean in or lean out.

**You can do this, you are not alone.**
