

Electronics Recycling Event

3501 S. Colorado Blvd.
Englewood, CO 80113

The Creation Justice Ministry will be holding a community-wide electronic waste collection event on Saturday, October 17 in the west parking lot of the church. We will partner with METech Recycling, a designated e-Steward noted for its commitment to safe disposal of electronic waste. Some fees apply to offset the cost to dismantle and responsibly recycle components including shredding hard drives to keep your data secure.

**For more information, or to volunteer,
call Bruce Glenn at 303-981-1561
or the Church Office at 303-762-0616.**

2026
