10:00 - HEAD HOME

KEY TERM EXPLANATIONS:

- **LFBC** - Lake Forest Baptist Church. This is the church that houses Vigilant Hope offices and Port City Project teams. The address for LFBC is 1626 Lake Branch Dr. Wilmington, NC 28401.
- **MORNING DEVO** - We will provide written daily devotionals for your team during Port City Project.
- **WORKSITES**- Each team will go to different project worksites that meet specific needs of our partner ministries/organizations here in Wilmington. Worksites include projects such as construction, gardening, painting, landscaping, remodeling buildings, preparing/serving food, and some relational ministry opportunities. Our goal is to empower you to come alongside local ministries to support the work that they are doing that will continue long after you leave Wilmington.
- **OPTIONAL GROUP TIME**- Anytime after worship each night, you have the option to meet with your individual group for reflection and discussion.
- **WALKING TOGETHER BREAKFAST/DINNER**- Two of our weekly community meals that your team will get to participate in. These community meals are gatherings where people from all different kinds of backgrounds, races, and socioeconomic realities all sit around the table together and share a meal- people facing material poverty, people with lots of money, people facing homelessness, Christians, non-believers, etc.
- **E3 (EDUCATE, EQUIP, EMPOWER)** - A workshop/
small group time that will give you tools to love your neighbor well. This time will include interactive workshops that give you the opportunity to think through different scenarios that someone experiencing poverty/homelessness might encounter, process what you have experienced during Port City Project, learn biblical framework for poverty, homelessness, and justice, and talk through how to take what you have learned back your home city. You can think of it as an intentional time to process and learn!
- **AFTERNOON OFF TO EXPLORE** - On Wednesday afternoon, your team will have free time to explore the city, go to the beach, etc. Wednesday dinner is the only meal that we do not provide for you- you can choose where you would like to go out to eat.
