Dear Parents, Guardians, and Friends,

Welcome to Ridgecrest Adventist Elementary and the new school year! Ridgecrest Adventist Elementary is an Adventist community of students, teachers, parents, and support staff working collaboratively to create a safe, caring, supportive, innovative, and academically challenging environment for your child. This community fosters individual spiritual growth and self-esteem while promoting respect, understanding, and appreciation across cultures. Also, we like to have fun!

One of the goals of our program is to prepare students for a successful and rewarding future by developing their faith, academics, and skills. Therefore, we provide instruction in religion, language arts, mathematics, science, social studies, art, music, and physical education. In addition, there are visitors (parents and other community members), assemblies, field trips and other enrichment activities that enhance and enrich our classroom instruction.

Respect for diversity and the ability to function effectively in different cultures are fundamental to our program. Students also participate in multicultural activities that are integrated into the classroom curriculum.

For this coming school year, we are having the great opportunity of integrating technology to all classrooms! Our students will use computers or chrome books. Along with our equipment we are also involved in a technology program in which our students will be able to explore and learn through programs like IXL, Brain Pop, Jr Scholastic and Reading Eggs.

The staff, parents, and students of Ridgecrest Adventist Elementary believe that our school allows the ability, flexibility, and latitude to provide innovative curriculum development and an outstanding instructional program. The exciting educational experience here at Ridgecrest Adventist Elementary reflects the wonderful relationship between the students, parents, and school staff, as well as the surrounding community according to our Christian faith. We are all partners for your child's success! We are going to have a wonderful year together!

God bless,

Nancy Danelson  
Principal
