

RIDGECREST ADVENTIST ELEMENTARY TUITION ASSISTANCE GUIDELINES

1. The student must demonstrate a desire to be in our school. This includes:
 - a. Do his/her best scholastically.
 - b. Show respect for authority (school staff).
 - c. Demonstrate an interest in spiritual things.
 - d. Demonstrate respect for school property.
 - e. Comply with health principles upheld by the church (no use of alcohol, tobacco or drugs).
2. Members' children will be given priority over non-members.
3. Student's/parent's regular attendance at church will be a consideration.
4. Funds available will determine the number of students that can be supported by tuition assistance program.
5. Requests for more than half of the tuition and fees along with a financial summary will be considered on a case by case basis. The family of each recipient of tuition assistance program is **responsible for a minimum of half the regular tuition and fees**. The regular tuition is based on the number of students enrolled from the family and the registration fees are based on the grade level. Under normal circumstances, tuition and fees provided from tuition assistance funds may only amount to half of the total. Families are encouraged to contribute as much as they can to the education of their own students.

If providing half of the tuition and fees is too difficult, the RAE Tuition Assistance Application can be submitted for further assistance. When more than half of the tuition and fees are requested, additional information regarding the financial situation of the recipient's family will be requested.
6. Tuition assistance funds will not be used to cover delinquent accounts. When students are accepted into the program, the tuition assistance fund will cover the agreed upon percentage from that point forward.
7. Applications submitted after **July 20** will only be considered if funds are available.
8. Tuition assistance applications will be accepted throughout the year, however, new students will only be accepted as funds are available.
9. On a quarterly basis, tuition assistance recipients will be evaluated for their continued eligibility based on the above guidelines.
10. Students **must apply** for tuition assistance coverage **each school year**.

11. Parents will be notified in writing as to whether their students are accepted into the tuition
Rev. 4/29/2018

assistance program and the percentage at which they will be carried.
