

2018 Fine Arts Class Descriptions

Take a look at all the cool classes available for grades 1 - 8 at this year's Fine Arts Day Camp! Based on your grade in the fall, use this page to preview the classes and their descriptions before you officially register. Remember, all participants must choose **at least one** performance class indicated by an asterisk (*). 1-2 graders can choose only **ONE** performance class; 3 - 8 graders may choose up to **TWO** performance classes.

4 YEAR OLDS - K: Class content and activities are pre-assigned so you do not select specific classes.

All-Star Cheerleading*

Perform like the all-stars! Learn to dance, stunt, cheer, and then put it all together for one great performance. (Grades 1-2 & 3-5)

Balloon Sculpting

Learn basic techniques to make balloon animals and objects. You will make outlandish, extraordinary objects to display and give out at the Friday night program. (Grades 3-5)

Black Lights*

Turn on the black lights and watch props, life-size characters and more come to life. Create an unforgettable performance using black-light techniques that will surely bring out the performer in you. (Grades 3-5 & 6-8)

Body Sox*

Climb into a stretch bag, crank up the music and create hilarious shapes that will wow your audience. Guys and gals welcome. (Grades 6-8)

Boys Hip Hop*

Boys, step up and take the fun hip-hop challenge. Dance with style to the beat! Have fun learning new steps as you hip-hop into Friday night's performance. (Grades 3-5)

Break Out

Search for clues, decode combinations, and work as a team to escape the locked room. Will you be able to break out? (Grades 6-8)

Bubbles and Beyond

Explore the science behind bubbles so you can create good, better, and the best bubble wands and bubbles! (Grades 3-5)

Candy Creation

Have your very own delicious experience while you learn how to make different kinds of treats. If you have a sweet tooth, this is the class for you! (Grades 3-5)

Card Making

Design and create your own unique cards for birthdays, holidays, thank yous, and beyond. (Grades 6-8)

Clay Creations

Dig in and make amazing things with your hands and colorful clay! (Grades 1-2)

Comedy Hosts*

Like to tell jokes? Comedy Host students will study and prepare some great comedy/jokes to share while they emcee the Friday night performance. (Grades 6-8)

Cookie Decorating

Decorate cookies using various tips and colored frosting. Learn to pipe fun designs, and before you know it, you'll be the "Ace of Cookies". (Grades 6-8)

Dance Team - Girls*

Learn an awesome routine to improve and show off your dance skills! This will be a fun challenge. Girls only. (Grades 6-8)

DIY Graphic Design

Create a one of a kind graphic T, pillow case, etc. just the way you like it. Everyone will want one once they see yours. (Grades 6-8)

Drama*

Perform a unique sketch with other students using acting techniques, line memorization, and more. (Grades 3-5)

Edible Art

Make awesome looking treats that taste even better. Creativity and hungry tummies are welcome and encouraged. (Grades 1-2)

Elementary Engineering

You and a small team will work together to see who can keep eggs from breaking after falling 20 feet, bridges from falling and much more. (Grades 3-5)

Fine Arts Reporters*

Become a Fine Arts news and camera person as you cover the week's events. Interviews will be shown on Friday night. (Grades 3-5)

Flower Fun

Learn from a professional how to create beautiful flower arrangements. You'll be a pro in no time. (Grades 3-5)

Glee Club*

Look out America! The next America's Got Talent contestants may be right here! Learn to sing and move in a way that will entertain any audience. (Grades 1-2 & 3-5)

Glow Wall*

Glow walls use special paint and black lights to capture pulsing shadows. Join the class and be a part of capturing some great shadowy effects that will take the audience by surprise. (Grades 6-8)

Glowing Show Down*

Turn out the lights and transform into a human glow stick figure! Then join your dueling glow stick figure team and battle for dominance with funky moves. (Grades 6-8)

Good Cooking

Explore and make foods that are just plain GOOD to eat! This hands-on class is yummy to the tummy. (Grades 3-5)

Goop and Slime

For the wonderfully tactile child, make silly-putty, play-doh, goop, slime and other crazy, gooey materials. (Grades 1-2)

Gospel Paint*

Transform blank canvases into an impactful painting right before the audience's eyes. (Grades 6-8)

Hands-On Rocketry

Use your creative energy to design and assemble your own rocket. We're aiming for a perfect lift-off on Friday night after the program. A simple rocket kit is provided. (Grades 6-8)

Highlight Video and Backstage*

Take video and still photos throughout the week, then help put them together to create the Friday Night Highlights Video and Slide Shows. You also will help backstage during the Friday Night performance. (Grades 6-8)

Hip Hop Kids*

For kids who love moving to music! Learn a new dance routine set to a popular song and perform at the Friday evening program. Boys and Girls welcome. (Grades 1-2)

Human Video*

Be part of a team that conveys a powerful live story without saying a word during the Friday Night performance. (Grades 6-8)

Impact Paint

Use high-powered techniques to splat, spray, smack and squirt paint. These unique and crazy methods will create incredible art. (Grades 6-8)

Jazzy Poms - Girls*

Learn a dance routine with the snappy-peppy style of a pom-pom squad. Girls only. (Grades 3-5)

Juggling and Magic

Wow your friends with your newly learned juggling skills and magic tricks. You will be a master at entertaining. (Grades 3-5)

Karate Kids*

Learn the basics of karate and demonstrate your new skills at the Friday night performance. A professional instructor will teach the class. (Grades 1-2 & 3-5)

Lessons with Legos

Everything is awesome! Make Lego creations each day and then use them to expand our imagination and creativity. (Grades 1-2)

Outdoor Ops

Learn how to survive with knot tying, shelters, and food gathering. Be a mini military commander. Get ready for your orders. (Grades 3-5)

Painting Pizzazz

Let your imagination run wild as you express what's in your mind through drawing and painting. (Grades 1-2)

Pancake Art

Who knew you could do so many things with a pancake??? Come and learn the fine art of Pancake-ing. (Grades 3-5)

Perpetual Motion Kids

For kids who love to run, jump, roll, and briefly stop for a yummy snack. Your energy will help make this class fun and amazing. Ready, set, go! (Grades 1-2)

Pillow Heads*

Be part of a hilarious non-speaking skit as performers wear extra-large bobble heads made out of pillow cases. (Grades 3-5)

Popsicle Stick Creations

Not only is it fun to eat yummy popsicles, but it's also fun to build with them. Make unique and fun creations using Popsicle sticks—and maybe eat a popsicle too! (Grades 1-2)

Post It Note Art

Transform simple post it notes into wildly cool masterpieces of art by combining various colors, sizes and shapes. (Grades 3-5)

Puppets*

Create a puppet show for Friday evening's performance, using full-sized puppets. You will learn how to make them seem "real" as you perform for an audience. (Grades 3-5)

Rube Goldberg

Complete a simple task using a complex machine you create using levers, balls, weights, and nearly anything you can imagine. (Grades 6-8)

Shadow Creations*

Use your energy and the power of lights and shadows to bring an important message to life for the audience. (Grades 1-2)

Sign Language - Black Light*

Come prepared to learn a whole new language technique, and perform it Friday evening through a song under the black lights. (Grades 3-5)

Sign Language (Non-Performance)

Learn a whole new language technique and practice communicating with your class throughout the week. This is a non-performance class. (Grades 3-5 & 6-8)

Slow Motion Action*

Bring humorous action movie scenes to life in slow motion and listen to the audience roar. (Grades 3-5)

Sports and Rec

For those who like to move around, be part of daily games, sports, and challenges each geared to the specific age group. (Grades 3-5 & 6-8)

Spy Stunts – Boys*

Calling all boys! Use your energy to perform a series of stunts with a spy twist! (Grades 1-2)

STOMP*

It's time to make some noise! Learn rhythms as you whack, slide, and whisk different objects to make an incredible sound. (Grades 1-2)

Stone Art

Create personalized decorative pieces with beautiful stones. Your new masterpieces can also be great gifts. (Grades 6-8)

Super Science Experiments

You'll be fascinated by the experiments and inspired by what you can learn from them. Science has never been cooler. (Grades 1-2)

Super Slam Wrestling - Boys*

Get ready to run ropes like the pros. Also learn various routines that all of the superstars had to learn before they got into the squared circle. (Grades 6-8)

Tie Dye

Create awesome tie dye art with amazing colors! Twist, squish, band, dunk, dunk again, rinse, dry, and wear amazing stuff. So totally cool man!!! (Grades 3-5)

Top Shot

Learn how to aim and hit any target! Use arrows, BB guns and more to become the "Top Shot". (Grades 6-8)

Viral Video*

Spend your week doing some crazy antics and capture it all on video for the Friday night audience! (Grades 6-8)

Wired Art

Bend it, twist it, shape it! See what awesome works of art are in store for you when you use wire and more! (Grades 3-5 & 6-8)

Wood Art

For kids who like to build. The wood pieces are pre-cut, but assembly and painting are required. Learn basic wood working skills. (Grades 3-5)
