

Feed My Starving Children is a Christian nonprofit that helps you turn hunger to hope with your own two hands. The approach is simple: children and adults hand-pack meals designed specially for starving children, and FMSC ships the meals to nearly 70 countries around the world. Recipients of the food pack add it to boiling water to create a nutritious life giving meal.

Celebration Church has partnered with Feed My Starving Children's Green Bay Pack and we invite you to be part of this local mission serve opportunity that has international impact.
