LIVE FULLY ALIVE!

FINE ARTS 2018

JULY 16 - 20

## GET READY FOR CELEBRATION CHURCH'S 2018 FINE ARTS DAY CAMP!

Kids from 4 years of age through those entering 8th grade will spend an entire week finding and developing new skills and talents. This year's theme **AMPED** - Live Fully Alive, will teach us why God wants each of us to be **OVERLOADED** with **CONFIDENCE** in what Jesus says is **TRUE!**

**John 10:10** says, "I have come so that they may have life. I want them to have it in the fullest possible way." Get ready for a full and incredible week!

### FABULOUS 4S & 5S

This class is designed for children ages 4 years-old (by July 31, 2018) through kindergarten (as of fall 2018). The Fab 4s & 5s will have a great week of activities including opening and closing chapels (with the larger group), games, snacks, Bible lessons, and more. Class content and activities are pre-assigned so they do not select specific classes. Students will be placed in smaller groups and are closely supervised at all times.

### GRADES 1-8

Students entering grades 1-8 in the fall of 2018 participate in daily opening and closing chapels as well as three classes selected during the registration process. (See below for the list of class options.) Students rotate between classes independently, but volunteers are highly visible and available to help students navigate through our building.

### DAILY SCHEDULE 9AM-NOON

Starting at 9am each day, kids will participate in opening chapel. Following the chapel, the Fabulous 4s & 5s begin their rotation of activities for the day. Kids in grades 1-8 will go to the cool classes they have selected during registration. (For safety, our Fab 4s & 5s participants rotate through the hallways at separate times from our school-aged kids.) All participants will come back together for an awesome closing chapel that ends at Noon.

### FRIDAY NIGHT PROGRAM

All Fine Arts students are expected to participate in the Friday evening performance on July 20th. Therefore, each 1st-8th grade student will need to register for at least one performance class. The program will begin at 6:00pm, followed by an ice cream social and other festivities.
