Prayer

- Peter from Myanmar has asked for prayer for the health of everyone at the ministry. The rainy season creates high sickness in the area. He also is asking that God would continue to give him wisdom.
- Pray for our international partners, that they would have favor with the government, safety for the children, and that many would come to know God through these ministries.
- We have a group of youth going on a Mission Trip to drill a water well in Haiti in June. Please pray for an incredible trip as we provide clean water in Jesus name. These trips can be such a moment for people to encounter God in a fresh way, pray that our youth would have some great God moments.
- Our 2018 Myanmar Mission Team leaves in October. They will be doing construction on the Debbie Gungor Music Hall, Water Tower Repair, Painting, Medical Team at the Clinic, and Childrens Team. Please pray for this group of 30 people from Celebration Church as they head out to minister and be blessed themselves, we love these amazing encounters with God.
