## **Focus:**

Big Creek has several opportunities for our team. Check out their descriptions:

- The team will serve our community in three key ways. Each member chooses where they serve best:
- 1) Construction – We serve families with homes in need of all kinds of repair—roofing, flooring, ramps, and more. Please recruit skilled tradespeople who can help lead your team and complete these projects. Those guys who know a "little about a lot" are super helpful.... as every willing hand makes a difference.
  - 2) Community – We partner with local agencies to provide food, home goods, well-care visits, and practical help to families in need.
  - 3) Children – Lead creative activities in schools or with local kids—STEM, arts, games, or anything that sparks learning and joy.
