

SOUTH AFRICA MISSION TRIP:

Itsoseng Water Well
Johannesburg
Diepsloot Township

January 17-26, 2019 *(inclusive of travel to/from the U.S.)*

OVERVIEW

Our Mission Trip to South Africa brings us to Itsoseng, which is an impoverished community that has been without clean water for sometime. South Africa is largely a diverse nation that is unique with the stark contrast of poverty and wealth. Celebration Church has partnered with Gracepoint Church for several years and continues to send Transition One Students to serve for a three month mission trip as part of the Gap Year program at Celebration. This team will spend time with the kids, participate with the water well construction, and sharing the love of Jesus with the community in Itsoseng. As we set off on this journey to share God's love, we will also be impacted by the love we receive.
