WHAT ELSE SHOULD YOU KNOW: If interested in this trip, please complete the Celebration Church Missions Application. This will help us get to know you better and determine if this trip is the best fit for you. Note: the application has some pretty direct questions. Please do not be intimidated by these, as a follow up meeting will be held to discuss where you are at in your faith journey today, as well as how this trip would best benefit you and the ministry in Honduras. If you have previously filed an application and it is less than one year old, you will not need to re-submit. Applications older than one year must be re-submitted.
