Message Series: Spiritually Vibrant Home

Happy New Year! Have any resolutions? Many of us do. We look back at the last year and think about the things we might change and put plans in motion for the next year. We often set financial, health, and personal development goals. But have you ever considered this: What would it look like to have a spiritually vibrant home? That's the way we are going to ring in 2026! We want to see our homes become more vibrant through messy prayers, loud tables, and open doors. Join us for worship and Bible study through the month of January and we work together to create more spiritually vibrant homes.

Questions to be thinking about:

- What's one thing that would make your home more vibrant?
- What makes a home feel warm, thriving, or spiritually meaningful to you?
- If you could change one thing about family or home life to make it more connected or meaningful, what would it be?
- Describe "Home" in one word

LMC Building Survey

This survey is for LMC members to have input on how the space at LMC is utilized. The survey findings will help the building usage committee get a grasp on what the scope of the remodel project should focus on. Take the survey by clicking the link:
