

The Easter Experience

Session 1: My Life Has a Purpose

SUMMARY

In this first episode, Jesus was revealed as the servant of all and you were challenged to become a servant like Him.

REFLECTION

Consider the questions below yourself or with your family:

1. What stood out to you most from this episode?
2. What is it like for you when you serve others? What is it like when you don't?
3. What are some roads you have tried to build that lead nowhere?

PRAYER

- Adore Jesus for His humbling example of service and love
- Confess your failures in being the servant you are called to be
- Thank Jesus for giving His life as your ransom
- Ask Jesus to make you willing and discerning to serve others
