

The Easter Experience

Session 4: My Life Has A Plan

SUMMARY

In this episode, Jesus is crucified according to the unfolding of God's plan to save us from sin.

REFLECTION

Consider the questions below yourself or with your family:

1. What stood out to you most from this episode?
2. How has God's plan for your life been different than what you expected?
3. Do you normally respond to trials with greater doubt in God's character or greater trust in God's promises? Why?
4. Jesus was born to die, yet He still obeyed the Father's will. How willing are you to follow God, regardless of the costs? What things are you still holding onto that keep you from surrendering in obedience?

PRAYER

- Adore Jesus for fulfilling the prophecies before and after His birth
- Confess your fear of surrendering to God's will
- Thank Jesus for His promises of forgiveness and eternal life
