

The Easter Experience

Session 5: I Have the Promise of Eternal Life

SUMMARY

In this episode, Jesus dies under the full weight of God's wrath for sin.

REFLECTION

Consider the questions below yourself or with your family:

1. What stood out to you most from this episode?
2. If you painted yourself in the crucifixion story, who would you be?
3. In this episode, both the thief and centurion come to understand Jesus is the Son of God. What reasons did they have to reach that conclusion? What reasons do you have?
4. Jesus promises salvation to the thief after he makes such a simple request. What does this teach you about salvation?

PRAYER

- Adore Jesus for His compassion toward the unloved
- Confess your tendency to treat sin as if it isn't a big deal
- Thank Jesus for securing your salvation, just like the thief's
- Ask Jesus for boldness to share the gospel with others
