

My Quarantine Story

Through the Lens of Eternity

Discussion for May 13

- List some negative things you have seen, heard or read during the Covid pandemic involving (1) our nation (2) our state (3) our community (4) your family (5) you personally
- Do the same except list positives
- Share scripture that will encourage you and others based on your list of positives and negatives
- What has been the hardest thing (concern/worry) for you during this pause? How have you allowed God to comfort and guide you with this issue?
- How have you seen God work in the situations you observed from previous questions? How have you been His hands and feet to your family or others?
- What is different about you from this pause in your life?
- Write down a time schedule for your day- Tuesday, May 12th (from the time you wake up till you go to sleep).
Where did God fit in? How much time did you give Him?
- Share scripture and encouragements you personally received from your time with Him this week.
- Has this pause been wasted or well spent?
