Dear Parents,

We hope you and your kids are enjoying the AllTogether Method we are using in Sparks. This method is helping all involved to learn God's Word better. Please let us know of any questions you may have about having your child ready to pass their section(s) before they come to club each week.

Thank you, *Melissa Joyce*

All the clubbers in the WingRunner handbook will work on the same assigned section(s) each night in Awana. Clubbers are asked to study at home & come to club ready to pass that night's assigned section (below).

During the first part of Handbook Time, each clubber will recite verses and pass that night's assigned section(s) to their leader before doing A. & B.

- A. Passing any unfinished sections from previous nights of Awana.
- B. Extra: REVIEW, by repeating past sections from at least two (2) weeks ago, for the Review Patch.
