Dear Parents,

You will receive schedules each month (like the one above) telling you which section your child needs to write in the answers and memorize the verses from, before each club night. All the 3rd to 6th grade clubbers will work on the same assigned section each night in Awana. Clubbers are asked to study at home & come to club ready to pass that night's assigned section.

Clubbers are to recite the verses and pass section(s) in this priority:

- A. FIRST: Finishing that night's section & verses before doing B. & C.
- B. SECOND: Passing any unfinished sections from previous nights of Awana.
- C. THIRD: Passing extra Silver & Gold parts of the sections.

The "**FAST-TRACK**," from 6:05 to 6:20 PM, is where clubbers may pass that night's section before club starts &/or make up any missed sections earlier in their book.
