SERVE

OUTREACH

This is our monthly outreach to the City of Syracuse. We take bags of groceries to the inner city and simply ask people if we can bless them with this gift and prayer. Every month we see people touched by God, physically healed and come to church for the first time. We want to be catalysts for encounters with God and change our world. So let's start with our City. Sign up for notifications on the mobile app & connect card.

MISSIONS

Faith Chapel supports a variety of missions endeavors around the world. Our support is based upon relationships with these missionaries. We currently give 13% of our annual budget to missions and are committed to sending out and supporting missionaries from our local church.
