November 2019 Newsletter

22 salvations! PRAISE GOD!

We are seeing so many people come to know Christ! This pic was taken at a new dairy Bible study. 16 people prayed to receive Jesus as Lord! In October and November, we have seen 22 dairy workers accept Jesus. We are overjoyed with the ways that God is working and we know that we need to work to disciple them and teach them to share the Gospel with their family and friends.

There are several challenges in this next step. First, is obviously the language barrier. Second, is the fact that many of them live at the dairies and do not want to come to any town unless absolutely necessary. Third, is their very busy work schedules. Here are a few things that we are doing to get to the next step of discipleship:

Bags for new Believers –

When someone accepts Christ, we give them a bag with a Bible, a new Christian guide, a Gospel sharing tract, and a list of local Spanish churches and different Bible studies they can attend all week. The first week we gave these out, we actually ran out.

What an incredible problem to have!

English classes – We are in the process of recruiting and training volunteers to teach English classes. Our goal is to share the Gospel with the lost and encourage those

who are already Christians. Living in a place where you don't know the language or culture presents many problems. We want to help! We are currently looking for volunteers to teach, help with childcare and tutoring for children, and serve food and greet people.

Christmas Party – Sunday, December 15 at 5pm we will be hosting a Christmas party for Spanish speaking workers and their families. We have asked several Spanish churches to join us in hopes of connecting new Believers with other Spanish speakers who love the Lord and can help disciple them and invite them to church. A local reading grant provided us with Spanish children's books to give away to every family. We are asking churches and individuals to donate items and/or money that can be given away as door prizes. It is our hope that this will be a great way to connect with workers and their families so they can get involved in local churches and meet other Spanish speaking Christians.

Thank you for all you do to support and pray for Foundations of Faith as we seek to help Spanish speaking workers and their families build strong lives on the foundation of Jesus Christ! You are a blessing to us! Please visit our Facebook page and website to see the latest info about our ministry.
