

Life Group Study Sheet

Context –

Read the section before and after this passage. Is there a connection between this passage and what is written around it? Does this passage play a part in developing the larger theme of the book it's written in?

Observation –

Do you see anything unique? Confusing? Do words or phrases get repeated? If there are quotations, what do they say (quotes are always important)?

Meaning –

Based on your work so far, what is the timeless truth contained in this passage? Is there more than one?

Application –

What does this passage require you to change about your life (Ephesians 4:20-24)? Be specific. Is there something you need to stop doing? Start doing? How are you going to make sure this change happens?
