

## State of Tennessee Immunization

### Judson Weekday

DHS Licensing requires that Judson Weekday has an updated TN Certificate of Immunization on file for each child. Certificates are available from the TN Health Department or a health care provider licensed in the state of Tennessee.

Forms may be faxed directly from your doctor's office.

Fax number: 615-833-3241 – Attention: Judson Weekday

All sections of the Immunization Form must be completed by Health Department or medical provider.

Please return fully completed form no later than May 7, 2026.
