

YEAR THROUGH THE
BIBLE

GOD'S PEOPLE TOGETHER IN GOD'S WORD

The Vision

In the beginning, God created all things by his word. God speaks and transforms reality. God has revealed himself to us by giving us the Word, Scripture, to show us who he is, who we are, and how we are to live in right response to him. The Word of God is “alive and active” (Heb. 4:12), gives us life (Ps. 119:25), and stands forever (Isa. 40:8). For the Christian, Scripture is the primary means by which we know God and are “transformed by the renewing of your mind (Rom. 12:2).”

It is our desire at Sunnybrook to be a people submitted to and transformed by the Word of God. In the last 50 years since our founding, the authority of Scripture has been at the heart of preaching, teaching, discipleship, membership, small groups, events, and more at Sunnybrook. We believe that engaging with God in his Word is one of the most important things we can do as his people.

That is why we are spending a Year Through the Bible. We want to celebrate all God has done to transform lives through his Word and continue to be changed by him as we know Scripture.

To that end, we invite you to commit to engaging God’s Word each day with God’s people this year.

We believe that as we grow in our understanding of and submission to God in his Word, we will grow to love him and be like him more and more.

It is our prayer you will join us this Year Through the Bible, all for God’s glory, others’ benefit and our joy.

Overview

This Year Through the Bible is meant to be done with others, specifically in our community at Sunnybrook. We believe that not only are you called to know God in his Word and be transformed into the image of Christ individually, but that the body of believers is called to build one another up into maturity (Colossians 1:27-29).

The Year Through the Bible is an intentional plan for us as church community to engage God's Word together each day this year.

How to Engage

Year through the Bible Reading Plan

The Year Through the Bible Reading Plan is a year-long reading plan designed to take you through the Bible by pairing Old Testament and New Testament texts alongside one another each week.

Whether you start this plan on January 1 or March 24 or October 2, we encourage you to pick up in the plan where we are in the year. The goal is not perfect checkboxes but instead a regular engaging with God's Word together with God's people. Start today to build a habit of reading the Bible with us!

Sunday Sermons

Each Sunday, sermons will be preached from one or multiple of the texts from the previous week in the Reading Plan. This integrates your individual reading each week with the corporate teaching of God's Word to God's people.

Resources

In order to equip you to understand and apply God's Word as you engage it this year, we want to come alongside you with helpful resources.

SOAP Method

for Scripture reading

The S.O.A.P. Method is a really easy way to help engage with Scripture beyond simply reading the text and moving on. As you sit down to read through the Scriptures this year, try this method if you are newer to reading the Bible on your own.

It works like this: Grab a pen and a notepad, and after reading the text, write out a very brief (1-2 sentences) response under each of these four headings.

Scripture - Choose one verse that sticks out to you, and write it out by hand.

Observation - Write out 1-2 interesting things you noticed in the text, or write a question you have about the text.

Application - Write down one way that you can obey or apply this text in your life today.

Prayer - Write a brief prayer based on the text you just read.
