MISSIONS UPDATE

Our missionaries, Larry and Heidi Jones, are ministering to several countries throughout the Middle East. The prevailing religions in this region are opposing and antagonistic toward the Gospel, however, God is still opening doors for them to lead people to Christ. Last year over 2,400 heard the Gospel for the first time and 90% or more were Muslims. Over 1,042 prayed to receive Jesus. Please pray for Larry and Heidi for God's guidance, safety, and clear vision in 2018 as they see lives changed, families changed, and ultimately nations changed.
