## Hardware Requirements

Minimum hardware requirements for student computers.

---

### requirements:

### notes / comments:

**Laptop, Notebook, or Tablet computer**

☐ Windows or MacOS

Devices such as iPads or Android tablets are not approved within the BYOD program.

**Screen size: 10" to 15"**

Minimum resolution of 1024x768 (standard) or 1280x720 (widescreen)

**Minimum Memory: 4G**

**Minimum Harddrive Size: 64GB**

HDD or SSD

**Battery: minimum 6 hour run time**

**WiFi: built in 802.11n**

**Extra Power Cord & Charger**

We have found that having a charger for home and a charger to carry with the student is a huge help for charging at school.

**Printer**

This will be the student's primary printer for printing homework and assignments throughout the year.

### recommendations:

**Extended Warranty**

Many computer manufactures offer an extended warranty for up to three years after the date of purchase to protect against failures/defects.

**Student Laptop Insurance**
