

Rental Fee

One goal of St. John's BYOD program is to promote responsibility and therefore requires that each student has his/her laptop on campus every day. We recognize that there may be a times throughout the year that a student's device is unavailable to him/her due to required repair, replacement or various other circumstances. In these cases St. John's will provide a rental unit to the student so he/she can complete any classroom or homework assignments applicable during this time period. This rental device can be checked out for up two consecutive weeks at a given time. St. John's is authorized to bill the student's family \$5 per day, \$20 per 7 day week for the rental device. (This will be added to your monthly tuition statement.)

Please note that the student/family is responsible for any damages or loss that may be incurred while using the rental device.

Online Access

Before your student can receive access to the St. John's online services, you must ...

- Please sign this Signature Form, agreeing to the Rental Fee statement above.
- Please return the signature portion of this form to your homeroom teacher when you bring your laptop to school.

The student will need to take his/her laptop to the Technology Department in the Chapman Building (Middle School hallway, Room 214) to get setup for access to campus Wi-Fi.

Please return signed form to the student's homeroom teacher.

By signing here, I am acknowledging that I have read, understand, and agree to the Rental Fee Requirement for St. John's BYOD Program.
