Usage

Due to the cost of utilities and upkeep the camp will be limiting the building usage for smaller groups. This will allow the camp to continue to be an option for small groups. The restrictions are the following:

1. Groups of fewer than 17 people will be limited to a single large cabin for overnight stays. They will have access to the Dining Hall and the Administration building basement.
2. Groups of more than 30 people will have access to either the tabernacle or the craft and rec shacks.
3. Groups of 50 or more will have access to full campus usage.

A smaller group has the option of paying the per building usage fee to use buildings that they would otherwise not have access to. This fee is per calendar day.

Tabernacle: \$100 per day

Large Cabins: \$100 per day

Rec Shack: \$50 per day

Craft Shack: \$50 per day

Small Cabins: \$50 per day

The Camp Manager has the authority to adjust fees as deemed necessary.
