A NEW THING

Isaiah 43:19 is the theme for this newsletter. These last few months have been very time-consuming while also being rewarding for Chelsea and I. In July or August, Chelsea and I became volunteers at the Little Earth YDC. Since that time we have gotten to know quite a few people, including children, teens, young adults and a few parents. Networking and building relationships is crucial for us as we continue to serve the community. Since then, I have actually been hired part-time by Little Earth as an Academic Enrichment Coordinator in the Teen Center. I have been working there for 1 month now. In the last week another opportunity has arose in the form of a Boys & Girls Club position opening for the T.R.A.I.L.S. program coordinator. This program focuses on healthy living in the forms of eating, exercise and diabetes prevention. I have accepted that position. I will continue to do much of what I am already doing but the only difference is I will now also be in charge of the T.R.A.I.L.S. program. It has been a huge answer to prayer to move from a volunteer role into an actual employee within Little Earth itself. We thank you all for all the prayer and support that you give to us! If you feel led to donate to the work God is doing please follow this link: <http://bethlehemurban.org/#/outreach-ministers/valtierra>

Upcoming Events:

November 12th & 19th:
Open Gym at East Phillips: 6-8pm

Prayer Points:

- Drug-use in LE
- TRAILS program
- All the staff at YDC
- That we continue to have favor with people

Other News:

We are excited to announce that Chelsea is pregnant! 8 weeks along so far...
