# THE CALL

Official Newsletter of Mountainview Christian Church

## A word to our community partners

Dear Friends,

At MVCC, we believe that the church doesn't exist for itself — it exists to be a light, a support, and to build community through relational leadership.

This newsletter is a glimpse into how faith and service are impacting our community. As always, we welcome opportunities to collaborate with you for the good of our shared community.

In Christ,

Pastor Bradley Hooley

## Community engagement

Change for a community-

Over the last 6 months, we have raised a total of \$1250 for Hope Pregnancy Center and the Samaritan House, which helps the homeless.

School Partnership-

MVCC partnered with Cayuse Prairie School to put on an end-of-year dance and sold \$500 worth of Cotton candy which is going to help fund new playground equipment.

Creston Auction-

MVCC Faithfully served over 150 hours at our local Auction aimed at raising funds for a new firehouse. We raised over \$5000 by selling food and cotton candy. But that wasn't even the best part. During that time, I had the pleasure of sharing the good news of Jesus, and Kim Murphy came to know the Lord and was baptized!

## Building Community through Relational Leadership

- Grow our life group system to get out and serve the community once a month
- Clarity on what God is currently doing in MVCC. Big visions are starting to play out.

- Growth in the church
- Joining together with other local churches to expand the Good News of Jesus Christ.
