READ SCRIPTURE READING PLAN

SPIRIT OF LIFE

THE READ SCRIPTURE PLAN

This plan takes you through the entire bible in two years. The scriptures are divided up into sixteen "chapters" and organized in semi-chronological order. You'll read two or three chapters a day, and sometimes skim through larger portions that contain genealogies, census information, etc.

Psalms of prayer

One Psalm is listed every other day for you to slowly pray through, making its words your own. By the end you'll have prayed through the book of Psalms 2.5 times.

VIDEOS

Each time you come to a new book of the Bible, there will be a short animated video on The Bible Project website about that book's design and message and what to look for as you read. You can also sign up to have those videos emailed to your inbox. In addition to videos regarding books of the Bible, you will find theme videos relating to several topics that appear throughout Scripture.

To watch the videos....Go to thebibleproject.com.... Click Menu in the top right corner....Click on Explore Videos on the left side. You may also download the "read scripture" app in your smart phone's app store.
