

Dear Friends and Family,

I am excited about the Senior Mission Trip with the Petros Student Ministries of First Baptist Church of Pell City, Alabama. We will be ministering in Honduras June 12-19, 2020. We will be partnering with VER International to share the love and hope of Christ to children and families.

I am sending you this letter to ask for your support. There are a couple of ways you can support me.

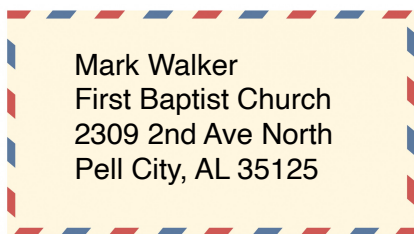

PRAYER SUPPORT!

I would ask first that you pray for us! Pray for God's leadership. Pray for God to make Himself known to those on the team and to those we minister to as well. Pray for our team's safety in travel and health. Pray we will be sensitive to the prompting of the Spirit. If you will commit to praying for us, please let me know. I would love to share that news with my team.

FINANCIAL SUPPORT!

Our trip is going to cost about \$1,400 per person. This price includes our transportation, some meals, and our financial obligation to the local VER International ministry team. I am asking you to consider supporting me financially. Any amount will be helpful and very much appreciated.

Gifts are tax deductible and should be payable to "**First Baptist Church.**" Please postmark and mail your donation to the address below no later than **March 20, 2020.**

***Please Be sure to put my name on the memo line of the check.**

Thank you for supporting me and our team however God leads you. This trip would not be possible without the generosity of so many. I am excited for this new opportunity in my own spiritual growth and the opportunity to spread the Gospel!
