

First United Methodist Church

Planning and Outreach Meeting Minutes

1-25-18

Attendees:

Shirley Wilbur, Norma Flaming, Jeremiah Harris, Lyle Gilroy, Ginger Champion, Alison Williams

Parents Day Out:

Alison shared her experiences that she and Mariah are having watching younger children on Tuesday and Thursday's from 9 – 11 AM. This while the children's parents are learning English at Carolyn Bouchaard's class. Discussion held and recommended to extend the hours until 12:00 noon on both days. Norma to visit with Mary in the business office about trying to fund the additional time.

Alison will prepare a brief overview that can be shared within the church congregation about the services offered. It was recommended that part of the notice should ask for individuals interested in creating a focus group. The focus group would gather interest and shed insight on any long term plan.

Foote Lagoon:

The committee will once again sponsor a water booth at the Foote Lagoon concert series this summer.

A weekly coordinator is needed. The Clarke's have volunteered to help purchase the water and the Hagan's have graciously agreed to supply the bottle labels once again. Norma, Lyle, and Dan will find some options for supplying popcorn. Dan will also talk to the Hagan's about a church banner.

The meeting was closed with prayer.

Next Meeting Thursday February 22nd in the conference room at 7 PM
