Notes
January 19, 2017

Attending – Ginny Angelovic, Lori Bradley, Guy Keith, Rev. Steve Goodier, John & Cees Morgan
Kitty Nutting and Chris White

Opening Prayer – Guy Keith

Notes from November meeting were reviewed.

Ushers – We now have head ushers for the 8:30 service. They are Kay Nickol and Carol Beyer

Sanctuary – We should ask Linda Barrow to keep a journal of what she does for the sanctuary in order to be prepared when backup is needed.

Volunteers – John will do an article for the Window asking for additional volunteers for greeters, ushers and communion stewards.

Music – Chris suggested that having the choir or organ start familiar music after a reasonable time could prevent the greeting from running too long.

Chris also suggested that using a more familiar hymn early in the service would help to get the congregation involved and focused.

Could we get a children's choir going, particularly for Palm Sunday? What about a youth choir?

Next Meeting – Does February 23 work for everyone so we can prepare for Lent?

Closing Prayer - John
