

My FBC Missionaries

This insert is to help you, our church family, become better acquainted with the missionaries that we support as a church. I encourage you to take them home and pray for them as well as consider supporting them individually if more financial support is needed.

Thanks. - Lindy Vazquez

InterVarsity Christian Fellowship
UW-Marshfield/Wood County

Mission Statement/Goal: *The purpose of InterVarsity Christian Fellowship/USA® is to establish and advance at colleges and universities witnessing communities of students and faculty who follow Jesus as Savior and Lord: growing in love for God, God's Word, God's people of every ethnicity and culture, and God's purposes in the world.*

How long have you been with this organization?

I have served with InterVarsity for the past five years, and was involved as a student for 4 ½ years prior to coming on staff.

Your connection (if any) to First Baptist Church, how we came to support you:

I grew up attending First Baptist with my family. The church played a huge role in helping to grow my love for Jesus, and the church continued to support me when I began pursuing a role with InterVarsity.

How long has First Baptist Church been a supporter of your mission?
First Baptist has supported me since I started with InterVarsity—over five years now.

Do you currently need more financial support? If yes, what amount?

I am currently about \$2,000 short of my full annual budget. Approximately \$166 a month.

What is your Life Verse and/or favorite Bible Verse?

So many different verses have been meaningful to me throughout my life, but one that continues to speak to me is: Psalm 19:14: "May these words of my mouth and this meditation of my heart be pleasing in your sight, Lord, my Rock and my Redeemer."

Any current prayer requests?

Please pray that God would send help to UW-Marshfield. There is a lot of fruitful ministry happening right now, but I am very overwhelmed with trying to shepherd the fellowship while also investing well in my family and our church plant.

Pray also for students to commit their lives to Jesus for the first time. We've had several students regularly coming to our meetings that have been clear that they are not looking to become Christians, but it's also clear that God is up to something in their hearts!
