**Letter # 142 June, 2018**

*...a great calm*

In our last letter we asked you to pray for Bo. We told you he had developed “a taste for Truth.” He was curious about God, the Bible, Jesus and how all of this might connect with his life. He watched the “Jesus” video. We gave him a Bible and asked him to write down his questions. His questions were very insightful. For example, he asked, “Exactly what did God promise in Genesis 3:15?” and “Being just one man, how could Jesus save everyone who believed?” Gradually he became convinced that God really exists, that Jesus is both fully man and fully God, and that the Bible really is God’s message to the human race. During the last three months, through the work of the Holy Spirit, the power of the Word of God, intense weekly discussions, and your prayers, Bo steadily progressed from having a taste for Truth to having a genuine hunger for God. On June 27, near the end of yet another profitable discussion, he became overwhelmed that God loved him so much that He gave His only Son to pay the penalty for sin. There was a moment when his emotions were intensely building, then suddenly in an almost shocking way he blurted out “yes” to God. Finally he wanted to receive God’s gift of eternal life. A moment after that when asked what he was thinking and feeling he replied, “My heart was pounding with fear, then I said yes to God. Now I feel a great calm.” He was certain that God had just done something very real in his life. This was followed by a calm peace with God.

Pray for Bo. There is much for him to learn about his new life in Christ. Pray for him as he shares this new faith with his wife and other family members. Pray for him as he makes decisions and plans concerning his education and career.
