

While all of our routines have been disrupted by the COVID-19 pandemic, we can each use this time to immerse ourselves a little bit more in the Bible. If your devotional routine is already in a healthy place-- wonderful, keep it up! If you could use a little more encouragement or direction, perhaps the resources below can help.

**\*\*A few things to consider\*\***: Using all of these resources simultaneously could be overwhelming. Instead, just use one or two that fit your learning style or routine. If you can find a partner or group to use one “together,” all the better. And while these are all reputable sources, let's do our best to emulate the Bereans, who “received the word with all eagerness, *examining the Scriptures daily to see if these things were so.*” (Acts 17:10-11)
