

The Northcutt's Connection August 2018

Jesse & Joyce Northcutt

Making Disciples . . .

Developing Leaders . . .

Multiplying the Church in Ireland

"On arriving there, they (Paul & Barnabas) gathered the church together and reported all that God had done through them and how he had opened the door of faith to the Gentiles. And they stayed there a long time with the disciples." - Acts 14:27-28 (NIV)

Greetings (again) from Texas!

Joyce and I are still here in Fort Worth for a few more weeks. Unlike Paul and Barnabas, mentioned in the verse above, we are unable to stay "a long time" and report what God has been doing in Ireland.

After a busy travel schedule from April through July (**we have now put over 10,000 miles on our car**) we are based here in Texas until our return to Ireland. Here's what the next few weeks look like for us -

September 2nd - 4th - a short trip to Houston to visit our supporters there

September 13th to 20th - Joyce makes a trip to Huntsville, Alabama to see Natalie & family

September 16th - Jesse's last out of town church visit to Abilene (TX)

September 23rd - Joyce returns to Ireland

October 7th - Jesse returns to Ireland

Otherwise, we will be here in Fort Worth. We still want to see many friends, partners and family members in the D/FW Metroplex as we possibly can. So if we have not yet made contact with you **PLEASE get in touch with us** for coffee, lunch or dinner. Our evenings seem to be very free and most daytime meetings are open too. If we haven't yet connected with you -

- 1) Reply to this message, and let us know when you are free to meet up, or
- 2) Send us a text at our US Phone number - 214-949-3441, or
- 3) Phone us at the same number!

Thanks so much for praying for our accommodation situation. We have been able to remain here in our friend's lovely garage apartment in a great location in Fort Worth near Hulen Mall. We can remain here until Joyce returns to Ireland then I can move in with friends in the area until my departure on October 7th.

Summer Reading Suggestion -

During our travels this summer Joyce and I were able to spend a day with our good friends and mentors Hud and Nancy McWilliams who live in the Denver area. Hud was our college professor at Texas Wesleyan University (see photo above) and we have kept in touch through the years.

Hud, has just published his first book, "**Discipline of Disturbance**" which I have just finished reading. Joyce is now reading it and we are discussing it together. It is a book on personal growth and development as an adult. It is definitely worth reading and processing with people around you who could give you helpful feedback. I can warmly recommend the book now having read it and known the author since 1972 - that's 46 years!!

Again, we are so thankful for our safe travels and the exceptionally good times we have had with individuals and churches thus far in our journey. Thank you for the part you are playing in extending God's Kingdom in Ireland and beyond through your faithful prayers and support.

Sincerely in Christ,

Jesse, for Joyce too!
