

The Northcutt's Connection June 2018

Making Disciples . . .

Developing Leaders . . .

Multiplying the Church in Ireland

"Sons are a heritage from the LORD, children a reward from him. Like arrows in the hands of a warrior are sons born in one's youth. Blessed is the man whose quiver is full of them. They will not be put to shame when they contend with their enemies in the gate." - Psalm 127:3-5 (NIV)

Greetings from Fort Worth, Texas!

Joyce and I are now back in Fort Worth area after spending close to **four months** traveling the country to see ministry partners, family, friends and churches. We have traveled **over 7000** miles by car and stepped or stayed in **23 US States** (including Texas) during that time. We are now based in the Fort Worth area until we return to Ireland in early October.

The past month has been particularly busy as we spent two weeks in Omaha, Nebraska divided by one week in Colorado at Greater Europe Mission Headquarters for our Home Ministry Retreat.

Definitely the highlight of the month was the **wedding on July 20** of our son **Nathan to Sara Bowe in Omaha**. The wedding itself was a grand occasion and went off very well. There were also many highlights of the week as two of Nathan's siblings from Ireland (**Nancy and Jonny**) were able to make it over for the wedding (along with Nancy's husband **James** and their two children) and **Natalie** and her family (husband **Jordan** and three children) were able to make it up from Alabama. We also had many extended family members and friends from the midwest, the south and even California who were able to make it to the grand event. We absolutely loved the time with extended family over the week.

In other news, on Friday the 13th of July we were informed that the house we had been planning to live in for the two and a half months we would be based in Fort Worth would not be available during our entire stay here. It's a long story that we need not elaborate but needless to stay we

were shocked to learn this having worked it into our plan since last November. We were actually in Colorado when we heard the news and we began immediately to pray and make connections to secure alternative accommodations.

Fortunately, God has been answering prayer and we are now staying in a friend's lovely garage apartment in a great location in Fort Worth and we can remain here until mid-August. We also have options in another friend's house in the area for August and then another one for September. Obviously, we would like a single location to "land" for the months we are here. However, we are taking it as comes and thankful for the gracious provisions the Lord is sending our way.

And for our Friends here in Texas . . .

Please join us for an evening of sharing our ministry with local friends and partners on **Thursday, August 9th** from **7 to 9:30 PM** at the home of Will & Jennifer Evans, [10310 Westridge Road, Ft. Worth, 76126](#). Even though this is a Ft. Worth address it's in the Benbrook area. If you are free that evening, please make plans to come! If you can come **please hit "reply" to this message and say, "I'm coming on the 9th!"**

We are so grateful that we have had safe travels and wonderful times with people thus far in our journey. Thank you so much for your faithful prayers and support which are crucial for our ministry in Ireland as well as in the USA.

Warmly in Christ,

Jesse, for Joyce too!

This Month We are Grateful For -

- The marvelous time we had at **Nathan & Sarah's wedding** in Omaha and the exceptional visits with family and friends we enjoyed the week of the wedding
- The safe travels and superb visits we have had thus far in our **Home Assignment**
- A time of refreshment and encouragement with our co-workers in Colorado **at our Home Ministry Retreat**

This Month Please Pray For

- **Nathan & Sarah** as they begin their married life together as they seek to honor the LORD in their relationship
- Our daughter **Nancy and son in law James** in their housing situation. They have a purchaser for their home but they need several major breakthroughs before they can secure another home
- **Our housing situation in Ft Worth** until early October - that we can be settled in as few places as possible to give us a base for life and ministry here
- Continued good visits with churches and ministry partners in Texas
- God's direction as to the best investment of our time and energy for the remainder of our Home Assignment here in Texas
- The ongoing **immigration issues** facing new and recent missionaries in Ireland. The new immigration laws are proving difficult to understand and negotiate
