

PASTOR BILL CREWS

SENIOR PASTOR PROSPECT

BIOGRAPHY

Pastor Bill Crews is passionate about discipleship. He believes the best way for people to grow spiritually is through relationships with others where they find encouragement, discover biblical truth, and enjoy a life lived on mission.

Pastor Bill sees his role as pastor as one that equips people to live out the gospel by pursuing their identity in Christ, engaging their world, and sacrificing freely. This includes a call to teach biblical truth in a practical and understandable way so that genuine life change can occur.

As a life-long learner Pastor Bill loves to read and for fun he loves to take things apart "just to see how they work." With degrees in Mechanical and Environmental Engineering, and 18 years working in an industrial setting, he approaches most things in life from an analytical perspective.

Since 2007 Pastor Bill has served as Administrative Pastor at First Baptist Church in Fernandina Beach, FL. In 2014, he led the church through the development of a simple discipleship process and the addition of a dozen small groups.

Most importantly Pastor Bill loves his family. His wife, Jane, works as a part-time accountant and loves to make crafts as co-owner of KatieJanes Marketplace. They are both natives of South Carolina and graduates of Clemson University. They are the parents of Ellie (19) and Matthew (14).
