\*\*Cohen Koopman's surgery to remove a cyst from his abdomen was successful.  
\*\*Ken Mol had testing January 8 to determine the next course of action for his stomach cancer.  
\*\*Tim Boeve had shoulder surgery on January 9.  
\*\*Margo Wilson had open heart surgery for aortic valve stenosis on January 9.  
\*\*Bettye Fields is scheduled for reconstruction surgery on her right hand on Jan. 14 to clean up arthritis and to replace a joint in her thumb.

\*\*I would like to update our Church Family on my cancer journey. I completed my chemotherapy 2 weeks ago & had a CT scan last week. Rob & I met with my oncologist this week and received some great news....my cancer is in remission! Praise God! Ovarian cancer isn't curable, but it can be controlled through additional therapies. I will continue on the Avastin as long as my body accepts it, and will also be taking an oral chem called Olaparib. Both therapies have many side effects, and I will have to be closely followed for the first year. We want to thank our Church Family for all your support and prayers. We ask that you continue to pray for us, and that I can tolerate the new treatments. We give thanks to our Mighty God, who stood with us through this 3rd journey in cancer. Diane & Rob Hyland

The donation board for January is filled with requests for items needed to prepare meals for ORC's Frozen Meal Ministry. This ministry benefits someone you know who needs a ready-made meal because of an illness, surgery, something unexpected, or just giving some extra time in a busy life. Donated items can be placed in the donation baskets in the FLC. If the item needs to be refrigerated or frozen please label them before placing in the fridge/freezer. The 8x8 meals are located in the large freezer in the ORC kitchen. If taking a meal, please sign the sheet on the freezer door. Any questions, contact Mary Slotman or the office.

Did you know that ORC is in charge of the small appliance/kitchen ministry of Love INC? If you are cleaning cupboards in this new year and have any of the following in good condition we may be able to take them off your hands; coffee pots, frying pans, pots & pans, hand mixers, Tupperware containers. Contact Mary Becksvoort with questions.
