

In the middle of the somberness of Lent, the church calendar offers a spark of light. Nine months before Christmas, the feast of the Annunciation is marked. The story of the angel, Gabriel, visiting a young woman in Nazareth is read.

Overisel Reformed church in Allegan county will celebrate Annunciation at the evening service on **March 24th at 5PM**. The event will include readings, art work, a sermon "Let it Be", and the world premier of a new hymn, "Gabriel in Galilee", written by Holland resident David Alexander.
