

## Seasons

We say that "season" means: a period of time that makes up a part of the year.

What season of the year are we in now? \_\_\_\_\_

Name the other seasons of the year. \_\_\_\_\_

The Church year is also made up of seasons. There are different periods of time which make up our Church year also known as the Liturgical year.

Below is a link to a Godly Play video which explains the different periods of time in our church year. (You may need to copy and paste the link into your browser)

See how many questions you can answer after you view the video, it's okay if you don't answer every question.

It helps to read the questions first before viewing the video.

A word bank is provided to answer all of the questions if you like to use one.
