Lebanon Area Evangelical Free Church  
(717) 865-9900

Lebanon Free Church is gearing up again to organize some work projects to bless our neighbors in our community. Many of the projects will be addressed during our J-ROCK weekend, **MAY 1-3, 2026**.

If you know of someone who could use some help around their property who just needs some extra manpower, skill, or know-how, please complete the application below and return it to the J-ROCK display in the church lobby by April 19 for consideration on their behalf.

**Please do not discuss the potential for this help with the property owners at this time – until we can first manage the number and types of requests that get submitted. We would like to avoid any frustrations by unmet expectations. Thank you. We will reply to your request as soon as possible.**

**CONSIDERATION FOR LABOR/HELP FORM:**
