

Rising 2nd Grade Summer Reading List and Information

The main goal of reading over the summer is to encourage a love for books in our young learners. They can choose to read books that interest them as individuals while keeping their minds sharp. I ask that your child read, fill in the reading log below, and return it the first week of school to receive an ice cream treat. As you choose summer books, I think it would be great to read at least 2 chapter books along with other shorter books.

Try to read at least 5 books. There are extra spaces should your child choose to read more books. The book list is a guide for you to use, but feel free to read a book that may not be listed. The most important thing is that the children read every day! Enjoy your summer and the many adventures you can take through amazing books!

ENTERING 2ND GRADE BOOK LIST
