

C.F.C.A. Summer Reading Log

Rising 3rd Grade

To earn a summer reading certificate, students are required to complete 3 books over the summer. Each book must be from a different series. Reading logs need to be completed and turned in by the first week of school. A selected book list is attached to give you some ideas for books which are level-appropriate. Feel free to read books of your choice which are reflective of this level. Have fun reading!
