

# Regional Encounter Project 2018

## Convoy of Hope Rural Compassion

We are excited to be part of a project to bless our Indiana churches. In early April 2018, Rural Compassion will be visiting one of the rural communities of Indiana to help our pastors reach their community. We, as Indiana Women's Ministries, would like to follow up with a Back to School outreach to this same rural community in July. So, we will be collecting the following items for our Regional Encounter 2018.
